

Star Trac Rear Drive Elliptical

Elliptical training has become second only to treadmill training in facilities across the globe and it has become one of the most important cardio categories in the eyes of many clients. When designing our 8-Series Rear Drive Elliptical, we wanted to create a comfortable and natural stride pattern, while offering user-centric safety features and the industry's best entertainment solutions. With the availability of the new OpenHub consoles this classic piece of cardio equipment becomes the complete package, offering users both comfort and connectivity.

- Choose between 10", 15" & LCD Version of the New OPENHUB™ Family of Consoles.
- Ergonomic Hand Grips Offer Multiple Hand Positions and HR Detection.
- Convenience features like Water Bottle Holders, A Media Shelf, Personal Fans & Optional Tablet Holder.
- Articulating Foot Pad & 18" Stride Length create a very comfortable and natural stride pattern
