

CONCEPT2 ROWER

MODEL D INDOOR ROWER

THE MODEL D delivers proven performance and fitness benefits.

Separates easily for storage

- PM3 Performance Monitor is standard on all Model D Indoor Rowers; PM4 Performance Monitor upgrade is available
- Aluminum rail capped with a stainless-steel track allows the seat to move smoothly and facilitates full leg involvement in the rowing stroke to provide a true, full-body workout
- Fan engineered to minimize noise while providing the smooth feel of on-water rowing
- Ergonomic handle allows for natural arm and hand positions while rowing
- Frame lock enables easy separation of two pieces for transport and storage
- Flexfoot™ foot rests adjust for quick and easy sizing
- Spiral damper controls airflow to the flywheel, allowing users to choose the feel of a sleek, fast racing shell or a slow, heavy rowboat
- Caster wheels make it mobile
- User weight capacity 500lbs (227 kg)
