

NAUTILUS LEVERAGE™

A ONE-OF-A-KIND PLATE LOADED EXPERIENCE

The Nautilus Leverage offers a one of a kind plate loaded experience with features that outshine the competition. Leverage features stainless steel knurled grips, assisted seat adjustments and user defined pre-stretch settings. Using multiple levers and cams, Leverage creates a unique lifting profile for each movement that maximizes the mechanics of the human body. With a sleek look and integrated storage, the Leverage strength line will appeal to facility operators and their members. It's all about the feel and once you've worked out on Leverage, pushing and pulling weight plates will never be the same.

NAUTILUS® STRENGTH

Nautilus® invented the entire modern strength training category more than 40 years ago, and we've been reinventing it ever since. And we never innovate for the sake of fads, bells or whistles, but to provide a fitness experience that naturally fits human movements. We wouldn't settle for anything less, and neither should you.

PRODUCT TRAINING

We created our Master Trainer program to enhance the experience your staff and members have with our equipment. Different facilities have different needs and we customize our protocol to what is best for each customer. Our award-winning programming, offers education to thousands of instructors all over the world every year.

BUILD ON GREATNESS

At **Core Health & Fitness**, when we brought together fitness brands to build our company, we settled for nothing but the best. Four iconic brands that pioneered entire categories and whose machines are still the ones **members ask for by name**. Today, we're committed to continuing the tradition that started decades ago – and that's greatness you can feel good about building your business on.
